TOWN WARRANT

The State of New Hampshire (Tenative)

To the Inhabitants of the Town of Sanbornton in the County of Belknap, in said State, qualified to vote in Town Affairss

You are hereby notified to meet at the Town Hall in said Sanbornton on Tuesday, the thirteenth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.
3. To see what action the Town will take upon the Budget as recommended by the Budget Committee.
4. To see if the Town will vote to authorize the Selectmen to hire such sums and amounts of money as may be necessary to defray Town Charges in anticipation of Taxes.
5. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.
6. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand dollars (\$13,000) for Maintenance Highways & Bridges: One Hundred Seventy-Five dollars (\$175) for General Highway Expenses, Seventeen hundred dollars (\$1700) for oiling present black roads, and Fifteen hundred dollars (\$1500) for repairing and oiling the Sarah Sanborn Hill section. (Approach to Black Brook).
7. To see if the Town will vote to accept Town Road Aid (TRA), raise and appropriate for said purpose, the sum of Nine Hundred Eighteen dollars and Ninety cents. (\$918.90).

8. To see if the Town will vote to raise and appropriate the sum of Five Hundred dollars (\$500) to purchase Fire Equipment for the Sanbornton Fire Department, at the discretion of the Selectmen in conjunction with the Fire Chief. By request.
9. To see if the Town will vote to make available the Five Hundred dollars (\$500) derived from the sale of the O.C.D. Portable Pump, to purchase Fire Equipment for the Sanbornton Fire Department, at the discretion of the Selectmen in conjunction with the Fire Chief. By request.
10. To see if the town will vote to raise and appropriate the sum of Five Hundred dollars (\$500) for the Winnisquam Fire Department. By request.
11. To see if the Town will vote to raise and appropriate the sum of One Hundred dollars (\$100) for the Laco-
nia Hospital. By request.
12. To see if the Town will vote to raise and appropriate the sum of Fifty dollars (\$50) for Franklin Hospital. By request.
13. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty dollars (\$150) for Band Concerts. By request.
14. To see if the Town will vote to raise and appropriate the sum of Fifty dollars (\$50) for Old Home Day. By request.
15. To see if the Town will vote to raise and appropriate the sum of Ten dollars (\$10) to purchase flags for Memorial Day. By request.
16. To see what disposition the Town wishes to make of the sum of One Thousand Two Hundred Fifty dollars (\$1250) received from the State for rental of the Grader, said sum being held in the hands of the Treasurer awaiting action by the Town at Town Meeting. It is suggested that this amount be applied to the Grader note.

17. To see if the Town will vote to raise and appropriate the necessary amount of money to install three (3) street lights in the bridge end of Sanbornton Bay Road; one to be located in diamond at conjunction of Sanbornton Bay Road and U. S. Route No. 3 at Winnisquam Bridge, one on pole number 15 opposite Radio Tower, and one on pole number 21 on Sanbornton Bay Road above Woodman's Corners. By request.
18. To see if the Town will vote to raise and appropriate the sum of One Hundred Sixteen dollars (\$116) for the Lakes Region Association. By request.
19. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400) for the control of White Pine Blister Rust. By request.
20. To see if the Town will vote to raise and appropriate the sum of Two Hundred Twenty dollars (\$220) to defray the expense of the building and of topping the driveway in front of the public buildings at the Square.
21. To see if the Town will vote to increase the Budget Committee this year by three members to be appointed by the Moderator. By request of the Budget Committee.
22. To transact any other business that may legally come before said meeting.

Given unto our hands and seal this Twentieth Day of February, in the Year of Our Lord, Nineteen Hundred and Fifty.

Special Allotment Police Appropriation for Smelting Season—\$300.00

The following are excerpts from two letters received by the Town. Printed with permission:

"We certainly appreciate the fine cooperation given us by the Town of Sanbornton in regard to controlling the smelting situation in Lake Winnisquam. . . . This work of yours seems to us an excellent example of the way in which our department can work in collaboration with local officials and public spirited citizens . . ."

(Signed)

Ralph G. Carpenter, 2nd
Director, N. H. Fish & Game Dept.

"I am very glad that we could be of service to the Selectmen of Sanbornton and that the efforts made to control the situation were successful."

(Signed)

Ralph W. Caswell,
Superintendent, State Police of N. H.

Many of the summer residents have expressed the opinion that while the extra policing of the area did not cure the situation, it helped a great deal.

REPORT OF FIRE DEPARTMENT

By vote of the Town at the last Town Meeting the Selectmen and Fire Chief were authorized to sell the O.C.D. Trailer Fire Pump.

During the summer it was sold for \$500.00 and the money set aside.

The deed to the fire house and right of way to same has recently been passed so the Town now controls that property.

A permanent fire department known as the *Sanbornton Fire Department* has been duly organized with about 20 members up to the present time.

We feel the need for a Tank Truck to be used as an emergency water supply and for fighting forest fires, and

would recommend that the Town vote to raise and appropriate a sum of money to be added to the \$500.00 already set aside and that the money be made available for use if and when the proper equipment can be purchased.

Signed,

George S. Currier, Fire Chief

Fires in the Town of Sanbornton Responded to by the Winnisquam Fire Dept.—1950

March 5—Bob Dearborn farm; chimney, slight damage, 11 $\frac{3}{4}$ man hrs.

April 19—Austin House, Lower Bay road. Chimney, no damage, 16 man hrs.

ROAD AGENT'S ACCOUNT**FRANK B. SWAIN, Agent**

In 1949, the Town received \$1,637.70 Class V Maintenance money from the State. This year, the Town was not eligible for any Class V Maintenance funds. Last year as in previous years, oiling, patching, some bush cutting, etc., was done with part of the TRA money. This year, it was not allowable, therefor, all this type of work had to be done with the Town Appropriation except the actual TRA work, the Account of which is handled by the State, and is as follows:

Town Rural Aid

	State	Town	Total
Jan. 5 Bal. from previous years	\$307.71		307.71
April 28 Apportionment	3,477.81	869.45	4,347.26
	<hr/> \$3,785.52	869.45	4,654.97
Total Expenditures by State			<hr/> 4,186.35
Bal. credit to the Town held by State			<hr/> \$468.62

Inasmuch as the Town has no Emergency Fund in the Highway Department, it was necessary to use \$487.42 out of the Highway Appropriation to clean-up Highways after the hurricane in November.

SECRETARY

CATHARINE B. CURRIER

The attention of every policy holder is called to the following:

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the secretary for a permit to leave premises unoccupied for such times as they may specify paying for the same five cents per month for every one hundred dollars for which they are insured.

The cash premium for permits has been reduced from five to three cents per month.

REPORTS OF THE SCHOOL DISTRICT

Following are the reports of the School Superintendent, School Nurse, Attendance reports and the financial report for the year ending June 30, 1950 as submitted by the audit of the Tax Commission. The statement of bond indebtedness is not reprinted and you are referred to the 1949 report. Since June 30th the American Fidelity Bonding Company has accepted the responsibility of settlement of Clifton Colby's contract and have been paid the balance of his contract. The Building Committee have a few minor bills to settle and will submit a report giving the total building budget, which has been kept within the appropriations, in the next town report.

School Board

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Sanbornton:

I herewith submit my first annual report as your Superintendent of Schools.

We are faced with troubled times in all phases of American and World living. The schools on the national, state and local level are facing a greater responsibility than they have been asked to face for considerable time. The schools of Sanbornton are faced with the responsibility of giving to the youth the fundamental concepts of learning and acquaint them with the responsibilities that they must assume for the survival of our democratic way of life. We are in a struggle against foes of our way of living. Those who are best prepared are the ones who will survive. We must do all in our power to see that we are not the losers.

The people of Sanbornton have always made the tools to carry out the educational processes and I am certain that they will continue to do so in the future. The teachers are faced with, and have assumed, the responsibility for preparing the youth for present and future living. They are not shirking in this responsibility.

During the past year the personnel changes for the Sanbornton School have been small. Mrs. Anne P. Abbott returned to teach in the primary room in September replacing Mrs. Marion Foster. Mrs. Katherine French came to Sanbornton in January of 1950 and continues in the fifth and sixth grade rooms. Mrs. Annette Larson continues in the upper primary room and Mr. Glen Chaffee as Principal and teacher of grades seven and eight. It is a source of good fortune to keep a staff intact. The few changes in the system the better will be the continuing program of the school.

The pupils of Sanbornton are being provided with a well balanced program in the Central School. There are, however, a few items which would improve the offerings. I mention only two. One is a program of Art instruction. Arrangements could be worked out whereby the Supervisory Union could employ an Art Supervisor who in turn would give the leadership to the staff and pupils for the necessary instruction in Art. The second program change which might

be considered is that of including instruction by a specialized supervisor in Handwriting. You are well aware of the deficiency in this field by all pupils. A program of writing instruction from grades 1 through 8 would do much to improve the quality of the handwriting of the pupils of Sanbornton.

One change authorized by the Board for the present year is that of the change of hours in the school. It was felt that the noon hour, during the winter months, could be shortened to allow pupils to get home earlier at night. It also has the added effect of keeping the pupils from getting wet and overtired during the noontime play period.

The School Plant is one of which the citizens can well be proud. The children of Sanbornton are most fortunate in having a building with its modern convenience in which to carry on their educational pursuits. The manner in which they have cared for the building bespeaks their feeling in having the school. The plant must, however, have continual care in order that it be kept in good condition. I hope that the citizens will not feel that since it is a new building no work will be necessary for years. This is fallacious thinking. Repairs must be made when they occur if it is to be done efficiently and at small cost. Because of this a small amount is included in the budget to care for the needs as they arise.

The grounds at the school need considerable attention. The beauty of the building will be enhanced considerably with a planned planting program and the building up of lawn areas. The play area in the back of the school needs a great deal of attention if it is to serve the purpose for which it is intended. I am sure that the people of Sanbornton will not fail to include a sum in the budget to care for needed grading and that they will give of their time and energy to help improve the grounds of the building.

During the short time I have been your superintendent I have enjoyed the splendid cooperation of the staff, the citizens and the board. This is deeply appreciated and I look forward to many pleasant years working for the betterment of the schools and caring for the needs of your children.

Respectfully submitted,

FRED W. SNELL,

Superintendent of Schools

SCHOOL NURSE REPORT

January 1, 1951

Mr. Fred Snell
Superintendent of Schools
Franklin, New Hampshire

Dear Mr. Snell:

Health is one of life's greatest gifts. There is scarcely anything so important that it should be allowed to interfere with one's physical well-being. Our aims should be to keep the well child well, and to bring the child in poor health up to a higher physical standard.

Tuberculosis has been greatly reduced in the past quarter of a century, but it is still a very serious disease. Every new case of tuberculosis comes from an existing case. In order to cope with the disease, every new case must be discovered early and given prompt and effective treatment. One of the best ways to ascertain the presence of tuberculosis is by means of the tuberculin test.

A Tuberculin Patch Test clinic was held at the Central School, March 13, 1950, with 96 children participating. All positive reactors to the test were X-rayed by Mr. Allen of the New Hampshire Tuberculosis Association at the Laconia Chest clinic in April 1950.

The ears and eyes can truly be called the windows of the mind, and in all too many cases failure in school work can be attributed to the fact that they are not functioning properly. We are now using the Massachusetts Vision Testing instrument in the Sanbornton Central School. This machine enables us to give a more accurate vision test. Three pupils received new glasses and six pupils had their glasses changed.

The person with hearing losses is dreadfully handicapped. In order to conserve our hearing, we should better understand the proper care of the ears, and the effects that headcolds, tonsilitis, and other diseases have on the hearing. Since 1949 we have been using a hearing test known as the Puretone audiometer. This machine has many advantages over the whispering and 4A audiometer tests.

Parents are today realizing more the importance of dental care. This applies particularly to the care of baby teeth, because if these are neglected, the permanent teeth suffer also. The first eight years of a child's life are the most crucial in the safeguarding of the dental structure. Prevention is the watchword in dentistry today. Through the generosity and co-operation of the Sanbornton Bay Grange, we were able to secure the services of Miss Helena Van Koert, dental hygienist. Fifty-seven children received four applications of Fluorine solution. Twenty children received dental corrections from their own dentist.

Classroom inspections were held at intervals for symptoms of pediculosis and communicable diseases.

The advances in the field of physiotherapy have verified the importance that it plays in the treatment of many physical defects which, if left untreated, may lead to serious handicaps. Two children attended the orthopedic clinic in Laconia.

Good nutrition is the best foundation our body can have for health. The child who is malnourished and hungry cannot be expected to do his best work in school. It is edifying to see how many children are receiving the benefit of a well balanced hot lunch served in the Sanbornton Central School.

The importance of defecting disorders in their incipient stages cannot be over-emphasized. To this end physical, dental, vision and hearing examinations were given to 100 pupils by the nurse.

It has been indeed encouraging to find throughout the school year the same keen appreciation and earnest co-operation that are so characteristic of the interest of the citizens of Sanbornton in the health program of their school.

I wish to take this occasion to thank the Sanbornton School Board, Mr. Snell, teachers, parents, the Sanbornton Bay Grange, and pupils for their wholehearted co-operation during the past year.

Respectfully submitted,

MARION G. MOYNIHAN, R. N.
